Fall Event 2025

We welcomed over 100 people to our fall event where we celebrated The Farmhouse renovation project with a ribbon cutting ceremony and tours! Families also enjoyed hay rides, outdoor games, apple cider making, pumpkin painting, good fellowship, and so much more!

The Farmhouse Renovation is Done!!!

After more than a year of hard work, our doors are open.

The New and Improved Sugar Shack!

In addition to The Farmhouse renovation, you can see we have a gorgeous, and much larger Sugar Shack! Inside you will find beautiful lighting in the raised ceiling. There are additional windows to bring the views inside and keep the cold out as needed. Don't worry, the views have not been compromised, and are still as beautiful as always. As spring approaches, we have a vision to add a deck outside under the spacious overhang. We hope to utilize this space outside of syrup season by renting it out for small events or gatherings. Please keep us in mind for your next craft day, retreat, or even birthday party.

Syrup Season 2026

This upcoming season will look a little differently, but it will provide more opportunities! Our plan is to have several collection and boil days throughout the season, and at the end, we will have a culminating event where we will celebrate the season with fellowship, food, and fun! Be sure to watch our Facebook page for details. As always, feel free to send a message or email!

We always need HELP!!!!

As word about our mission expands, so do our needs. In addition to financial donations which can be made [here](#), we are in need of some muscle power and specific resources.

- ★ The Farmhouse is in need of an outside renovation. We are looking to add some garden/landscape areas, as well as clean up what is currently there. This would be a great activity for a youth group, scouting group, school group, or service project for any number of groups!
- ★ We also need to renovate the front steps leading to The Farmhouse.
- ★ The Farmhouse has a screened porch, except it's missing the screen! Do you have resources or time to help with this?
- ★ There are ALWAYS things that need to be done. Please reach out to us at patriotfarm4vets@gmail.com if you or a group you are affiliated with would like to help.

If you are interested in purchasing a shirt, sweatshirt, hat, greeting cards, or syrup, please reach out and we can arrange that!
